

**THERE'S NO ONE
LIKE ME!**

BY ASIA CYMONE SMITH

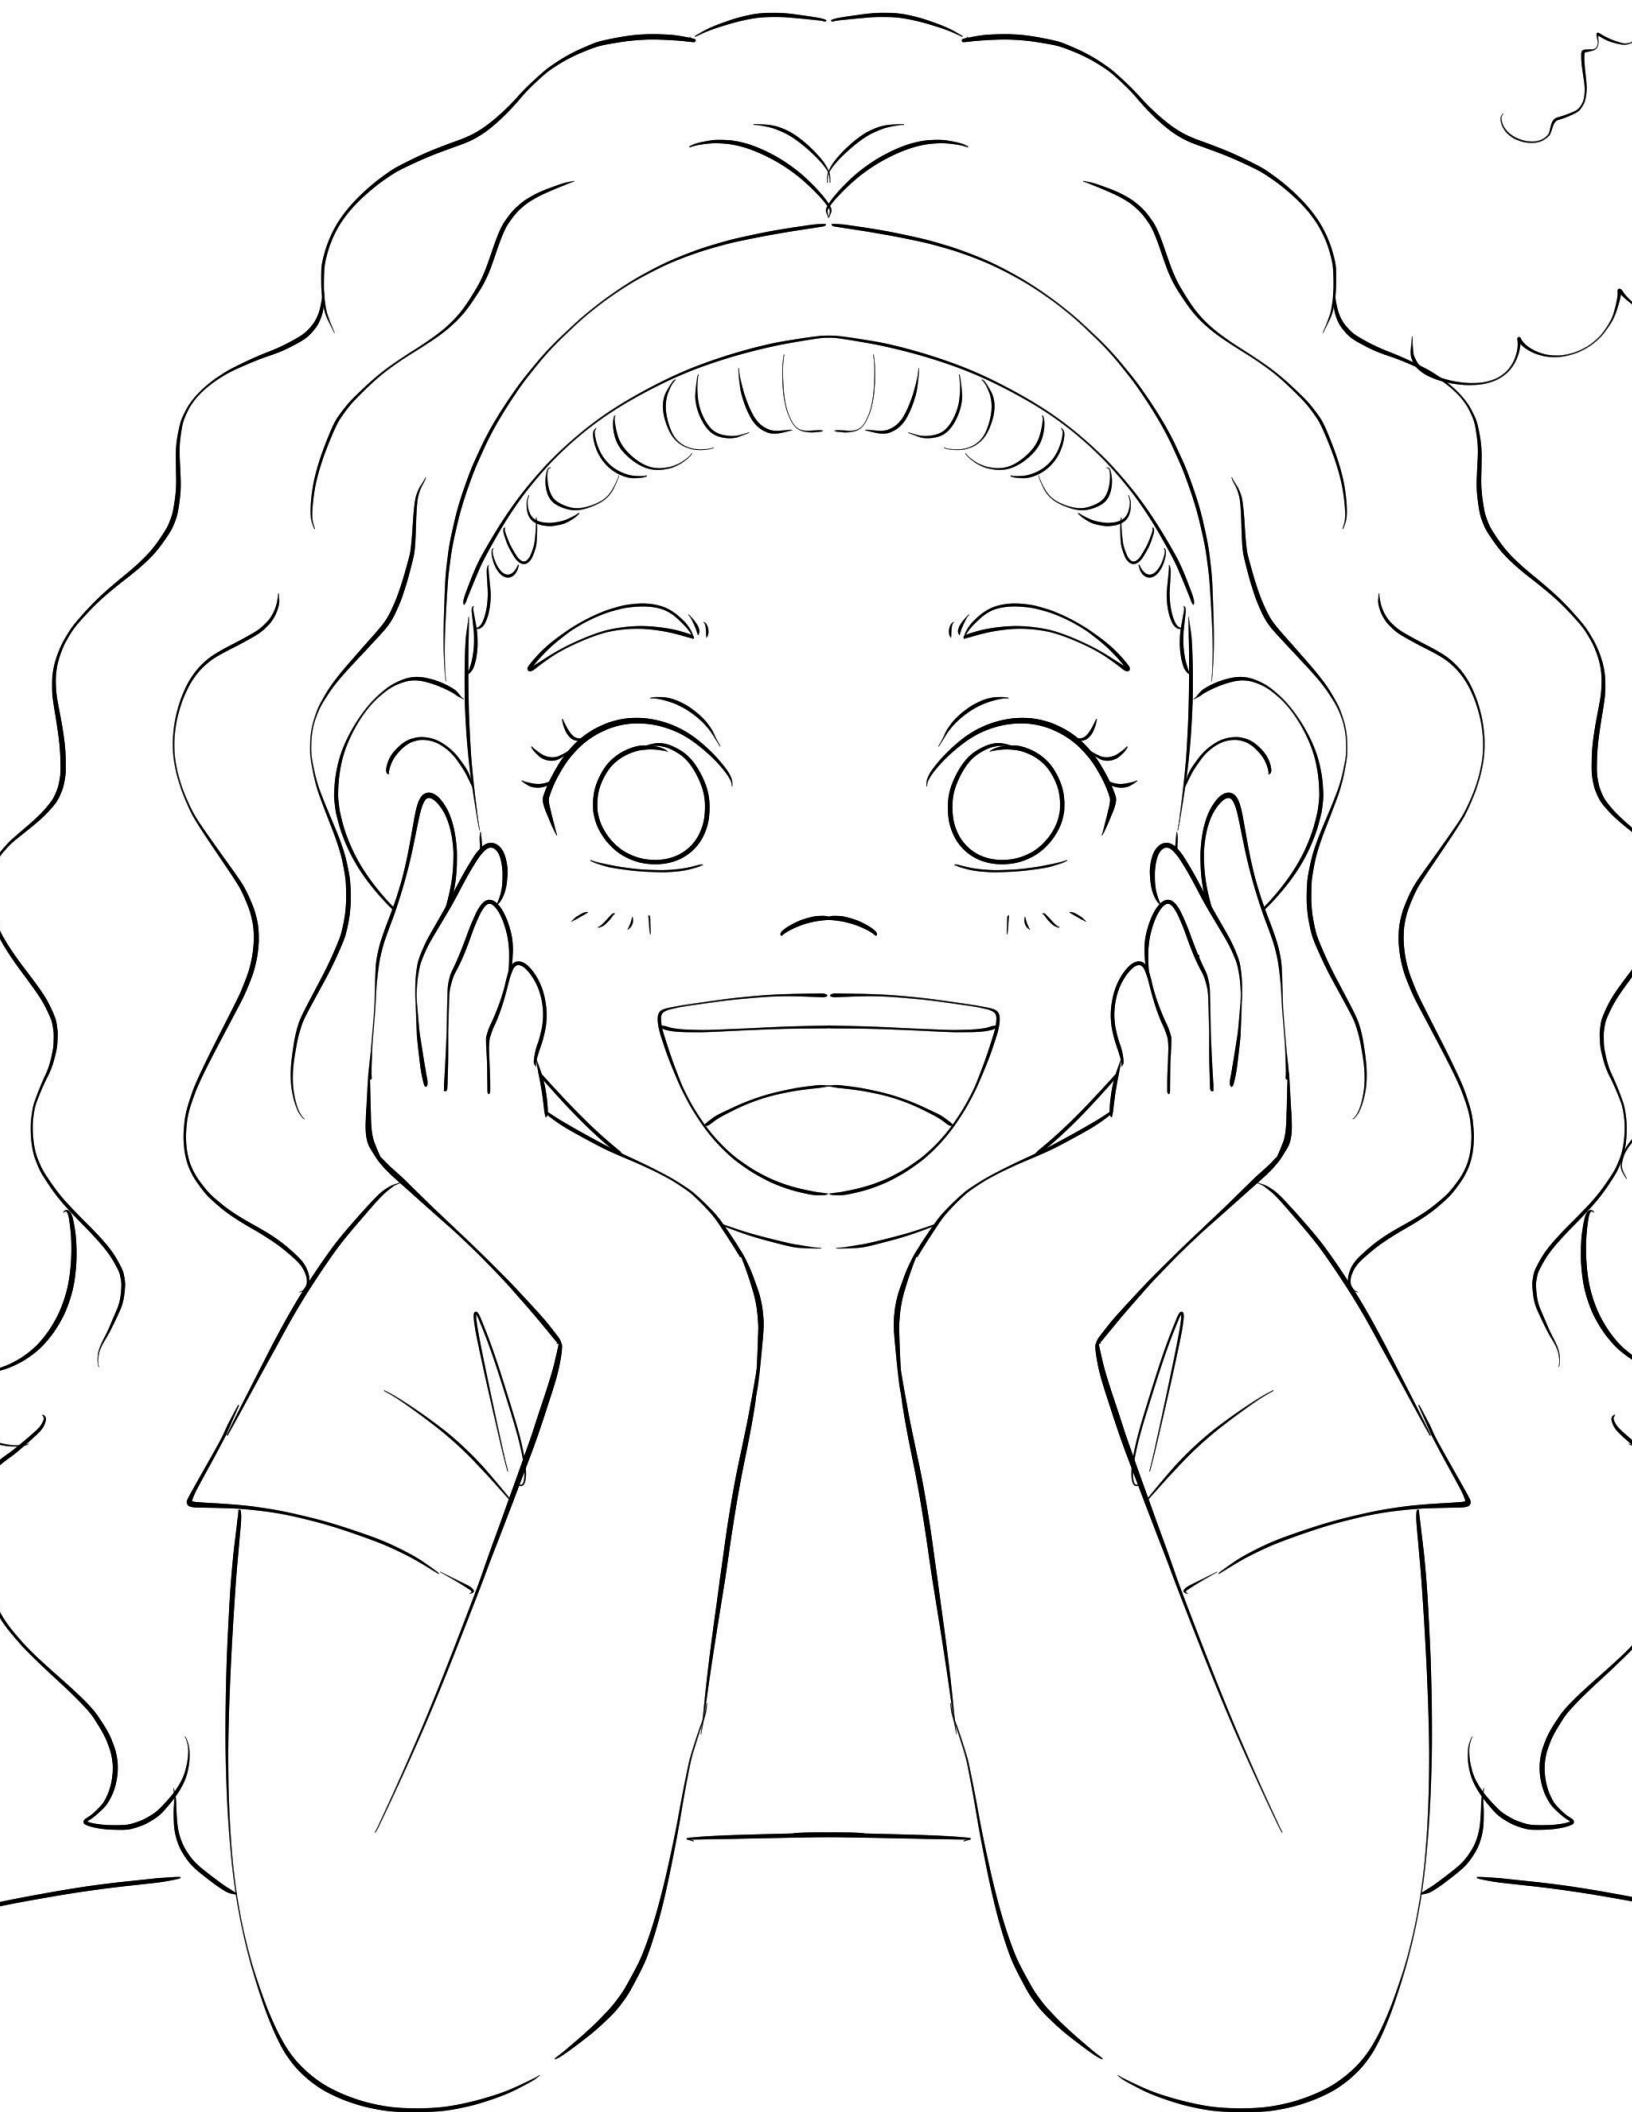

**and this one is like a flower
blooming in the spring.**

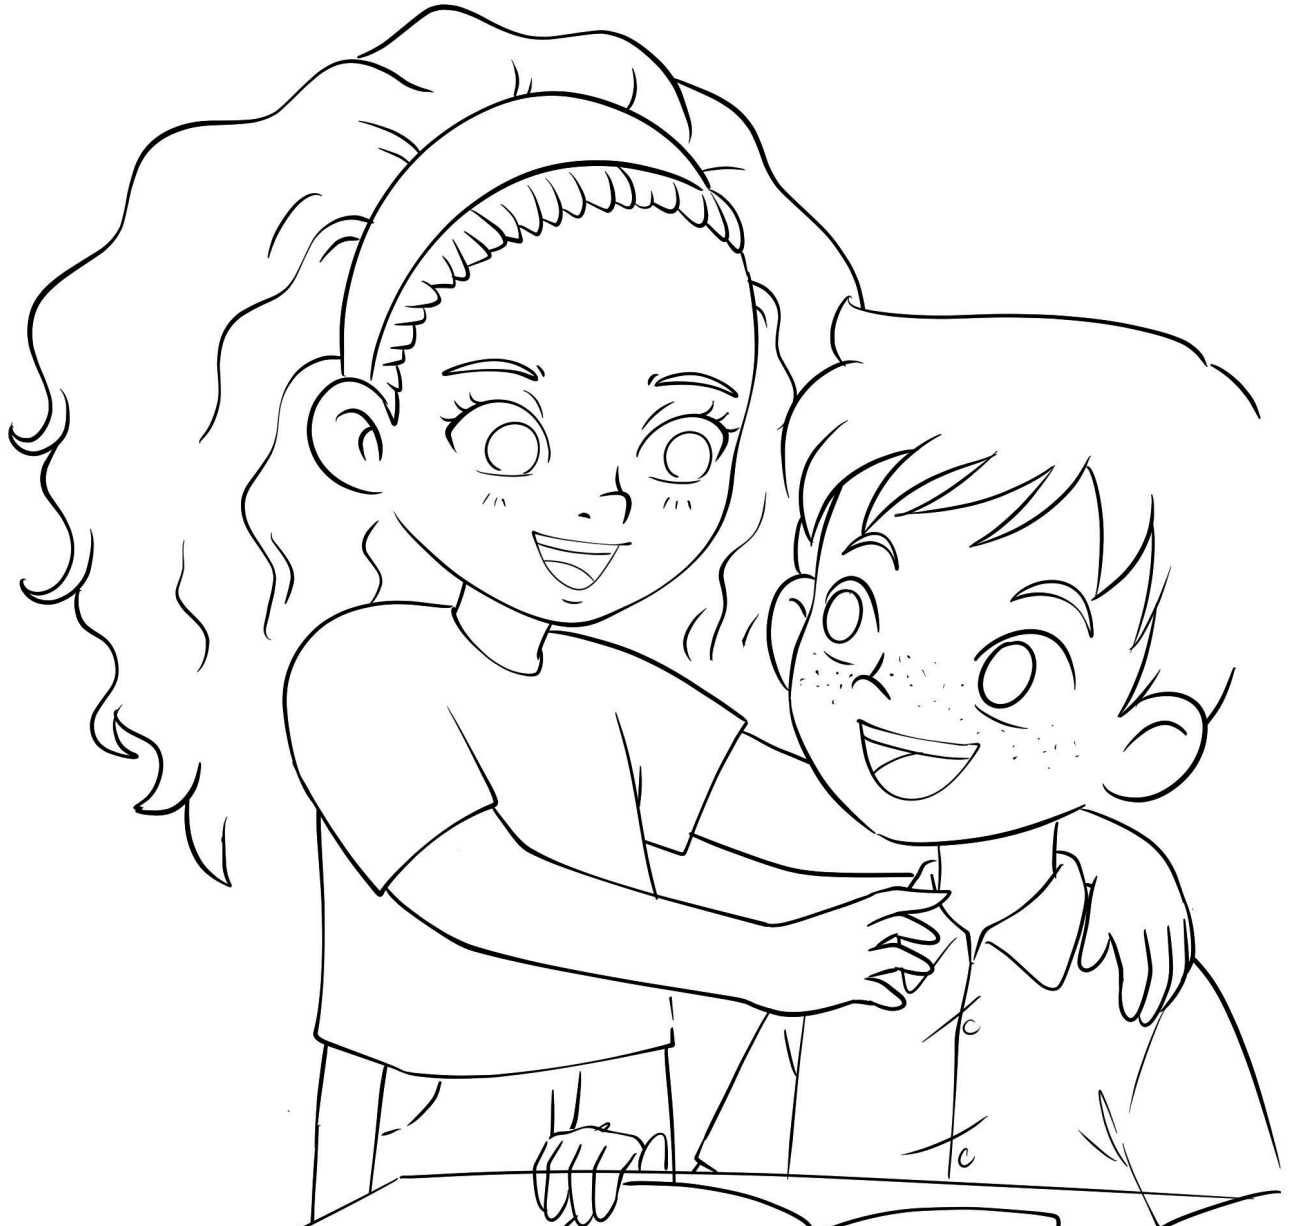

**I'm beautiful, I'm unique,
and I'm one of a kind.
And I love that no one else
has skin like mine!**

Madi wears a hijab.

Dee has different colored eyes.

**James has lots and lots of freckles...
like angels kissed him
a thousand times!**

**Love who you are.
And even when others can't see...**

**be proud and shout loud,
"There's no one like me!"**
